

Summer Reading Activities

Third grade

Attached to this sheet, you will find a reading log for the months of June, July and August. Your child should complete 15 minutes of reading each day this summer (yes, even on the weekends!). Please initial each square on the calendars to show that your child completed his/her reading assignment each night. All logs will need to be turned in on the first day of school. ☺

When your child is looking for good fit books to read, have them follow the I-PICK method:

- 1) **I** choose a book
- 2) **P**: What's my purpose for wanting to read this book?
- 3) **I**: Does it interest me?
- 4) **C**: Can I comprehend what I'm reading?
- 5) **K**: Do I know all the words? Can I read a whole page without stumbling over 3-5 words?

I encourage you to also have your children join the summer reading program at the library this summer. Since they'll be reading daily, they shouldn't have any problem meeting the prize goals!

As always, thank you for your support of St. Ambrose School. I hope you have a wonderful summer, and I look forward to meeting you all in the Fall.
