Dear Parents/Guardians:

Thank you for considering Saint Ambrose Catholic School. By completing the school registration packet, you express your desire to give your child a faith-based education in an environment of academic excellence. We are a vibrant, Catholic parish school with a strong community behind us. We strive to live out the virtues in our daily lives as we challenge our students academically. Our goals are to meet the learning needs of all of our students through best practices and hands-on experiences, provide a strong faith foundation, and help each student to reach his/her fullest potential.

In this packet, you will see a document covering all the tuition costs for a parishioner versus a non-parishioner. Although there are no cost advantages for a parishioner vs. a non-parishioner for children in the Pre-K classes, there are favorable taxing benefits you can take advantage of.

If you are a non-parishioner, I would like to take this opportunity to invite you to become a parishioner at Saint Ambrose Catholic Church. If you choose to become a Saint Ambrose parishioner, there are cost benefits. In order to receive those cost benefits, there are certain obligations which you must meet. They are:

- ~ Being a family spiritually engaged in our parish community by regularly attending Sunday Mass at Saint Ambrose
- ~ Contributing to Saint Ambrose Church in addition to your tuition payments
- ~ Participating in School/Church events which aid the school in keeping tuition expenses competitive

Thank you for considering Saint Ambrose as your parish. If you would like to proceed in becoming a parishioner, please fill out the parishioner information form found on our website at www.stambroseonthehill.com and register for online giving through Our Sunday Visitor also on the Home Page. If you have questions regarding online giving or registration please call Lydia Thompson in the Parish Office 314-771-1228.

God Bless,

Father Jack Siefert
