1/14 PTO special lunch

1/20 No School—MLK Day

Happy Snow Day!
Please be safe and stay
warm!

From Mrs. Grellner...

Happy New Year! I hope you all enjoyed Christmas break and are staying safe and warm on these snow days. I am looking forward to seeing everybody back in the building!

Today is the last day to order Lorenzo's for our PTO special lunch on Tuesday, January 14. I've included a list of who has already ordered in this same email. Orders will be closed and the list printed for Lorenzo's on Wednesday morning.

I hope that you all received the text and email alerts regarding the snow days. Please let me know if you did not.

How is this happening already?! Enrollment for the 2025-2026 school year will open this week. You will be receiving an automated re-enrollment e-mail invitation through the FACTS SIS system when it is opened. A FAQ's sheet is included in the same email as this newsletter.

Please note...If you are enrolling a sibling that will be new to St. Ambrose, you must first fill out an application for that student. After you apply for this student, let me know immediately. I will approve your application and send you through to enrollment. Please do this before January 26, 2025 when applications open for new families.

Applications for the Today and Tomorrow Educational Foundation will open on January 21. Go [HERE](#) for more information.

Applications for St. Ambrose Parish and School grants are available in the FACTS enrollment packet.

Teachers have been working on report cards. I am so grateful for their time working on this over Christmas break! Watch for them to open in FACTS at the end of this week.
