Let's make the best of this messy winter!

When do you think this pile will be completely gone?

Pick a date that you think it will be completely melted by 3pm.

Tell your teacher the date you guess by Friday to join the contest!

Upcoming Events...

1/17 Last day to order STUCO
pizza day on 1/24

1/20 No School

From Mrs. Grellner...

The Culture Day for this month will be this Thursday, January 16th. We will be celebrating those who have ancestry in China, Sri Lanka, India, and neighboring countries. Please wear a shirt of the colors of your country with your uniform bottoms.

A friendly reminder to pay any incidental charges your family may have in FACTS.

On Wednesday, January 29, at 7pm, there will be a Safety and Security Town Hall Meeting in Polizzi Hall. A flier is attached to this email.

Plans for Catholic Schools week are being finalized. I hope you have them out to you tomorrow. We will start that week on Sunday, January 26, with a special mass and open house. Please have your children wear their uniforms to the 9am mass on that day.

Enrollment for the 2025-2026 school year is available. It is in your FACTS family portal under student. If you have a new sibling to enroll, please fill out an application (in the same place as enrollment) and let me know. Then, I will push that child to enrollment. Enrollment will open to new families on Sunday, January 26.

The lunch menu for Monday, January 27, has been changed. For Catholic Schools Week, we have invited Chris' Cakes to come in for lunch that day. Chris' Cakes is a "flippin' great experience" that the kids will love. If you already ordered that day, please go in and redo your order. Your cost will be the same \$4.50 that is charged for all hot lunches.

Don't forget to log any volunteer hours in FACTS. Each family is required to give ten hours of volunteer time during the school year. PTO and Athletics will be sending out Sign-Up Geniuses for a few events if you need hours.
