team Showcase in gym

Congratulations, Josie!

From Mrs. Grellner... Congratulations to Josie O'Blanc! She was a finalist in the Respect Life Apostolate's Creative Writing Contest. Her essay will be printed in an upcoming bulletin. We are so proud of Josie!

This holiest week of the year, let us remember to quiet our lives and open our hearts to God's calling. Spend time in prayer with your family. Participate in the many spiritual opportunities this week at St. Ambrose Church. There are no practices or meetings and limited homework this week so you can honor this special week as a family.

Our field day for Preschool—5th grade will be on the last day of school this year, May 23. We will attend 8am mass, have field day from after mass — 11:30ish and dismiss for the summer at noon. We are looking for parent volunteers to run the stations. You must be compliant with Prevent and Protect. Please let me know if you would like to help.

It is that sad time of year again. We will be saying good-bye to some of our teachers and staff members. We wish them well! They will always be a part of our St. Ambrose Family.

Mrs. Temperato

Mrs. Crais

Miss Katie (our St. Louis Counseling counselor)

Nurse Kate

Miss Fassi

While we can never replace these wonderful people, we are looking to fill these positions. Word of mouth by our families has always been the most successful way to find good candidates. Please send any potential candidates for these positions my way: 4th grade teacher, 5th grade teacher, and Italian teacher.

I will be out of the building next Tuesday-Thursday. I am blessed to have been chosen by the Office of Catholic Education and Formation to travel with two other principals from St. Louis and some of our leaders at the Curia to the NCEA Convention in Orlando. I am so honored to be included in this. Mrs. Horner is in charge while I am gone. Please reach out to her or Mrs. Gambaro with any questions or concerns.
