We are looking to fill some important positions for next year:

4th grade

5th grade

Italian teacher

Before care (6:30am-7:30am)

Library Coordinator

Please let me know if you know any good candidates for any of these positions!

It's hard to believe the school year is winding down. Students in K-7 are taking their spring NWEA. Our wonderful 8th grade will take exams next week.

A reminder that our last day of school, May 23, is also field day and a noon dismissal. There will be no aftercare on that day.
