May 20, 2025

Congratulation to the St. Ambrose  
Class of 2025!

From Mrs. Grellner...

## Upcoming Dates...

5/19-5/21 6th and 7th grade  
exams

5/23 field day

Noon dismissal

No aftercare

Supply lists and summer  
reading will be emailed to  
you next week.

I want to start by thanking my wonderful teachers and staff for their quick action and support of our students during the tornado on Friday. We do emergency drills on a regular basis at St. Ambrose School and pray that we never have to put them into action. Thanks be to God that we were prepared for Friday's event and all were safe. I do know that some parents felt frustration in wanting to pick their kids up after we had gone into shelter. Please know, that we have procedures in place for emergencies such as these. We must stick to these procedures. We will not dismiss students in the middle of an emergency. I ask that you always show grace to our staff in these stressful times. Thank you so much for your support!

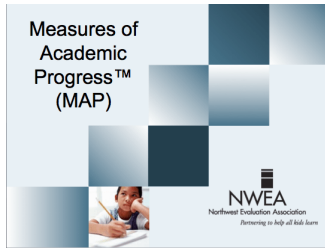

Please check your FACTS financial balance and pay for any incidentals that may be on your account.

We are still looking for some positions to be filled for the '25-'26 school year.

- before school care from 6:30am-7:30am
- 4th grade teacher
- 5th grade teacher
- Italian teacher
- A parent volunteer to run the library
- Help in our preschool aftercare. High school students work great! IT has to be somebody 14 years or older in order to pay them.

On Friday, we will attend 8am mass. At this mass, we will hand out virtue awards and acknowledge our teachers/staff who are leaving this year. After mass, preschool –5th grade will have field day! Each student will receive their field day shirt soon. **Since we have mass, the field day shirts can be worn with uniform shorts or non-uniform pants.** Leggings are acceptable for the girls. We are attending mass that morning, please make sure your children are dressed appropriately. It is a noon dismissal, with no aftercare. **The only thing your child needs to bring to school on Friday is a water bottle.**

NWEA scores will be coming home to you through email later this week. Information regarding summer IXL will also be coming home.

St. Ambrose participated in the CYC Preliminary Track Meet this Saturday at DeSmet and did quite well. We qualified 19 of our 46 kids to advance to the Finals Meet on May 31 at DeSmet. Way to go, St. Ambrose!

#### 2<sup>nd</sup> Grade:

- Juliana Morton: 100m, 200m, standing long jump
