

# St. Ambrose School on The Hill

September 16, 2025

## From Mrs. Grellner...

We were so blessed to have a visit from Chief Tracy last week on September 11. He shared his very personal account of that terrible day with the Fourth - eighth graders.

NWEA testing is complete. We are working through the results and will be sending them home in a couple of weeks. It takes a while to go through them all and get them all printed.

## Upcoming Events

\*Sunday, September 28, is the Ravioli Dinner that supports The Sick and Elderly Program of the Hill. It is from noon - 6pm in our cafeteria. I've attached a flier to this email. Please come have lunch or dinner and support this great organization!

\*Award-winning middle grade historical fiction author Alan Gratz presents his new novel "War Games" and the graphic novel edition of "Refugee" at the St. Louis County Library - Clark Branch on Thursday, October 16. Here is the link for tickets.
