## Happy 100th day of school!!

Thank you so much to the Athletic Association for putting up the tables and chairs a day early so we can use them for Special Friends Day. I am so grateful! It will be wonderful to have so much seating available.

A reminder that there is a safety and security town hall meeting in the church hall at 7pm tomorrow night.

Enrollment is going well! Several classes are full and we are welcoming several new families. If you have not finished enrollment, please do so. If your children are not returning to St. Ambrose, please let me know. We have families on waiting lists.

I've had a few questions about next school year's calendar. I'm hoping to have it approved by the school board at our February meeting and then I will release it to parents as soon as possible. Thank you!

Thank you to everybody who helped make our open house a success! We had a wonderful turn out.

Special Friends Day is always a crazy, busy, and fun day! Please remember that an adult must sign your child out with their classroom teacher before they leave. They may leave anytime after having a donut and playing some games.

Preschool friends should pick them up at the school's front doors at 7:45. The rest of the school will meet their friends at church.
