From Mrs. Grellner...

On Friday, we will wrap up Jump Rope for Heart. Students in grades 1-8 will participate in an activity in the gym and receive a heart cookie (Thank you, Ms. Daub!). Students may wear a red top with their uniform bottoms to school on Friday (this includes prek –8th grade). Thank you to Mrs. Crais for all of her work on this!

A friendly reminder to pay any lunch or incidental balances you have in FACTS.

If you have not already, please complete enrollment for next school year. We are blessed to be growing again!

It sure has been a challenging winter with weather, sickness, and now a broken pipe. Thank you for your kindness and patience. Please remember to keep sick kids home until they are 24 fever, vomit, and diarrhea free.
