This week, we are slowing down and focusing on academics. K-6 teachers are wrapping up NWEA.

Thursday, at 6:30pm in the cafeteria, there will be an informational meeting for LaFesta. This is a huge event on May 3 and 4, and every family is required for volunteer two hours. Please stop by and see how you can help!

Please keep our 8th graders in your prayers as they receive the sacrament of Confirmation tomorrow night. Also, congratulations to each of them for being accepted in their high schools. I am so proud of this class!

Good luck to our Bellarmine Speech League and our Chess Team in their competitions this weekend!

We are busy preparing for the '25-'26 school year. If you have not already, please complete your child's enrollment. If your child is not returning to St. Ambrose, please let me know. I am meeting with Father Jack this week to discuss staffing.

It is definitely germ season! Please remember that your kids must be 24 hours fever free (without medication) to return to school.
