### Virtues

Wisdom is the virtue for the third quarter. Wisdom is one of the gifts of the Holy Spirit, God who is the source of all wisdom. It is the virtue that helps us to see and judge things from God's perspective. It allows us to view real-life situations, challenges, and purpose through God's eyes. While the gift of understanding comes from the mind, the gift of wisdom comes more from the heart, allowing us to know God's will beyond all human understanding. Wisdom helps us to experience and practice the love of God, moving our hearts to align with his will, leading us to right judgment and the pursuit of goodness.
