

ST. AMBROSE SCHOOL

April 7, 2026

From Mrs. Grellner...

Happy Easter!

We are in the final stretch! It is important to help your kids stay focused academically. We still have a lot of learning to do! Early bedtimes and healthy meals are so very important. Our spring round of NWEA testing will be 4/20 - 5/18.

This Sunday is the St. Ambrose Forever Mostaccioli dinner. Come have a yummy meal! All proceeds go to scholarships for St. Ambrose families.

PreK 3, 1, 3, 5, 7, 8, and the choirs will perform at our spring concert on April 22 at 1 and 7pm.

Have you updated your volunteer time on FACTS lately? Please remember your commitment to eight hours plus 2 hours at La Festa.
