

St. Ambrose School

MAY 19, 2026

FROM MRS. GRELLNER...

This school year went way too fast! There are a lot of emotions running through our building this week. The excitement of summer is definitely in the air! Our 8th graders graduated on Friday night. We are so proud of them!

During dismissal on Wednesday, we will put all of the lost and found materials outside. I want to thank Mrs. Angie Massa and Coach Kara Herrell for a wonderful school year. We wish Mrs. Massa much happiness in her retirement. We are so excited for Coach and Mr. Herrell to welcome their baby in September!

Mrs. Gambaro and Mrs. Horner have been staples in this building for 25 + years. I am so excited for them as they head into retirement and wish them so much happiness.

I know next year will bring many changes to St. Ambrose School. Welcoming 100 new students is a wonderful testament to the amazing community, teachers, leadership, and families in our school. That being said, our current students are so very special. I have watched each one of them grow in amazing ways. Remember the values of St. Ambrose and keep our traditions strong. Keep Jesus in your heart at all times. Be welcoming. Be kind. Work hard. Live virtuously. Remember that you are the heart of The Hill.

17 years is a long time to spend at one school. St. Ambrose is my family. I am blessed to have had the opportunity to make a difference in many student lives. You will always be in my prayers.

CONGRATULATIONS!

Winners from the 5th grade art contest sponsored by the Incarnate Word Foundation:

Siena Torres: second place winner
Charlie Cornwell: honorable mention

Hundreds of 5th graders across the St. Louis Archdiocese entered this contest, so this is a huge honor. The art contest theme was "Reconciliation."
