5/24 Noon dismissal

Last day of school

## From Mrs. Grellner...

We have so much to be thankful for at St. Ambrose!

Thank you to our teachers who do a wonderful job educating and caring for our students!

Thank you to our nurses who care for us and our families!

Thank you to the Mandy Longland, Renee Sullivan, the rectory ladies, and the LaFesta Committee for all of their work in pulling off a wonderful day for our community!

Thank you to Mary Agnew, Adele Gianino, Annie Stika, and Chrissy Andrews for all of their work in our library! They are looking for some help in the library this summer. They have great plans for improvement! Please let me know if you are able to help.

The Pro Life committee needs the following number of students, preferably older ones, or those who can assist a younger sibling, to help hand out roses this Sunday. There will be adults there to assist them should they have any questions. They're not selling the roses; it's a free will offering.

4:30 Mass	8 Students
7:00 Mass	3 Students
9:00 Mass	5 Students
11:00 Mass.	5 Students

Please let me know if your child/ren can help.

Today is the last day to order Gioia's special lunch for next Tuesday!

Our students have artwork on display at the Stephen and Peter Sachs Museum at the Missouri Botanical Garden. Be sure to stop by!
